

# PRE-ORDER YOUR LOCAL FOOD!

September 20, 2020

Email order to [alfredfmpreorder@gmail.com](mailto:alfredfmpreorder@gmail.com) before Friday at 5pm each week.

The Alfred Farmers Market is happy to announce a new e-mail platform that offers pre-orders for the Market this year. We understand that the virus is still very much a concern for many. We want to make those at risk more comfortable while still having access to fresh local food.

## HOW IT WORKS:

- Availability will be posted each week to our website and to our Facebook page.
- Orders will be open each week until Friday at 5 PM.
- At the market, there will be a designated parking area for preorders.
- Pick up will take place during the market on Sundays from 11 AM to 2 PM.
- If writing a check, **please wait** to make the check out until at the market. Meat prices vary as packages are not consistent sizes, etc.
- You may stay in the car as we collect your order and payment. Pay in-person on-site.
- We are requesting that if you place a preorder, the order be picked up by 2 PM.
- If you cannot show up for any reason, we can still sell these items.
- We are a small market, so every sale counts.
- Please direct all of your questions and orders to [alfredfmpreorder@gmail.com](mailto:alfredfmpreorder@gmail.com)
